Narrative Biographical Statement**

Provide a short biography of your ancestor, including names and relevant dates of known spouse(s) and children. Be sure to include information that explains why this ancestor qualifies for the First Families Certificate for the county you have chosen.

James Bean was born in 1785 to William Bean II and Ann Alcott Scott in Burke County North Carolina.

It is believed that James went to Franklin County, Tennessee before his three brothers, where he married Sarah (Sally) Littell and then moved around 1808 to Harrison County, Indiana. There is strong evidence that they returned again to Tennessee for a short period, during which time their second son was born.

James and his family finally returned to Harrison County before 1820. James acquired several hundred acres jointly with others. The family settled permanently on their farm, south of Corydon, Indiana. James died in 1832. James and Sallie are buried in Jordon cemetery, located three miles south of Corydon.
